

Reajustes de Contratos – 2025 / 2026

Em cumprimento ao art. 8º da **Resolução Normativa nº 309/2012 da ANS**, atual **art. 42 da RN nº 565/2022**, informamos que o percentual de reajuste a ser aplicado ao agrupamento de contratos, entre os meses de maio de 2025 e abril de 2026, será de 15,37%.

Esse percentual será aplicado na data de aniversário de cada contrato vinculado ao agrupamento.

Por que esse reajuste foi necessário?

O setor de saúde continua enfrentando aumentos nos custos médicos, hospitalares e com tecnologias de ponta. A inflação médica de 2024, por exemplo, ficou em 14,1% – e projeções indicavam que alguns reajustes no mercado podem ultrapassar os 20%. Ainda assim, conseguimos manter o nosso percentual mais próximo do piso previsto.

Essa conquista é resultado do nosso modelo de cuidado, que prioriza a prevenção, o uso consciente dos recursos e a coordenação médica inteligente – via Time de Saúde que acompanha de perto cada membro, e agora, também com nosso Pronto-socorro On-line para casos pontuais de emergência.

Além disso, seguimos fortalecendo nossa rede credenciada, lançando novos produtos para oferecer mais acesso ao cuidado e investindo em tecnologia para reduzir burocracias, melhorar diagnósticos e dar mais agilidade a todo o atendimento.

Nosso compromisso é seguir oferecendo uma saúde acessível, com eficiência e qualidade, equilibrando sustentabilidade e o que mais importa: o cuidado de membros e membras.
