

Reajustes de Contratos – 2024 / 2025 - Resolução Normativa No. 309

Reajustes de Contratos – 2024/2025 - Em cumprimento ao **art. 8º da Resolução Normativa - RN nº 309/2012** da Agência Nacional de Saúde Suplementar - ANS, atual art. 42 da RN nº 565/2022, informamos que o percentual de reajuste a ser aplicado ao agrupamento de contratos a partir do mês de maio de 2024, até abril de 2025, será de 25%.

Este reajuste será aplicado na data de aniversário de cada contrato agregado ao agrupamento.

Justificativa técnica: este ano, enfrentamos desafios significativos devido à mudança no rol da ANS, que trouxe mais procedimentos de alto custo. Além disso, a inflação direta das despesas médicas e hospitalares aumentou consideravelmente, superando em três vezes a inflação geral.

Adicionalmente, no último ano, expandimos nossa presença física com a manutenção da Casa Sami na Beneficência Portuguesa e a inauguração da Clínica Sami no Hospital Santa Virgínia, visando atender melhor nossos membros. Também ampliamos nossa rede credenciada para mais de 230 parceiros com o objetivo de melhorar nossa abrangência.

Seguimos constantemente nos readequando e repensando as estratégias, para que os nossos reajustes se mantenham no menor patamar possível - e consigamos garantir a nossos membros e membras um dos melhores custos-benefícios do mercado.

Te contamos mais aqui sobre como os reajustes são calculados →

Abaixo, disponibilizamos os contratos que sofrerão reajuste a partir de seu respectivo aniversário, com a relação dos códigos das empresas informadas no sistema RPC, seus respectivos planos, bem como com número de registro na ANS:
